ACT Results

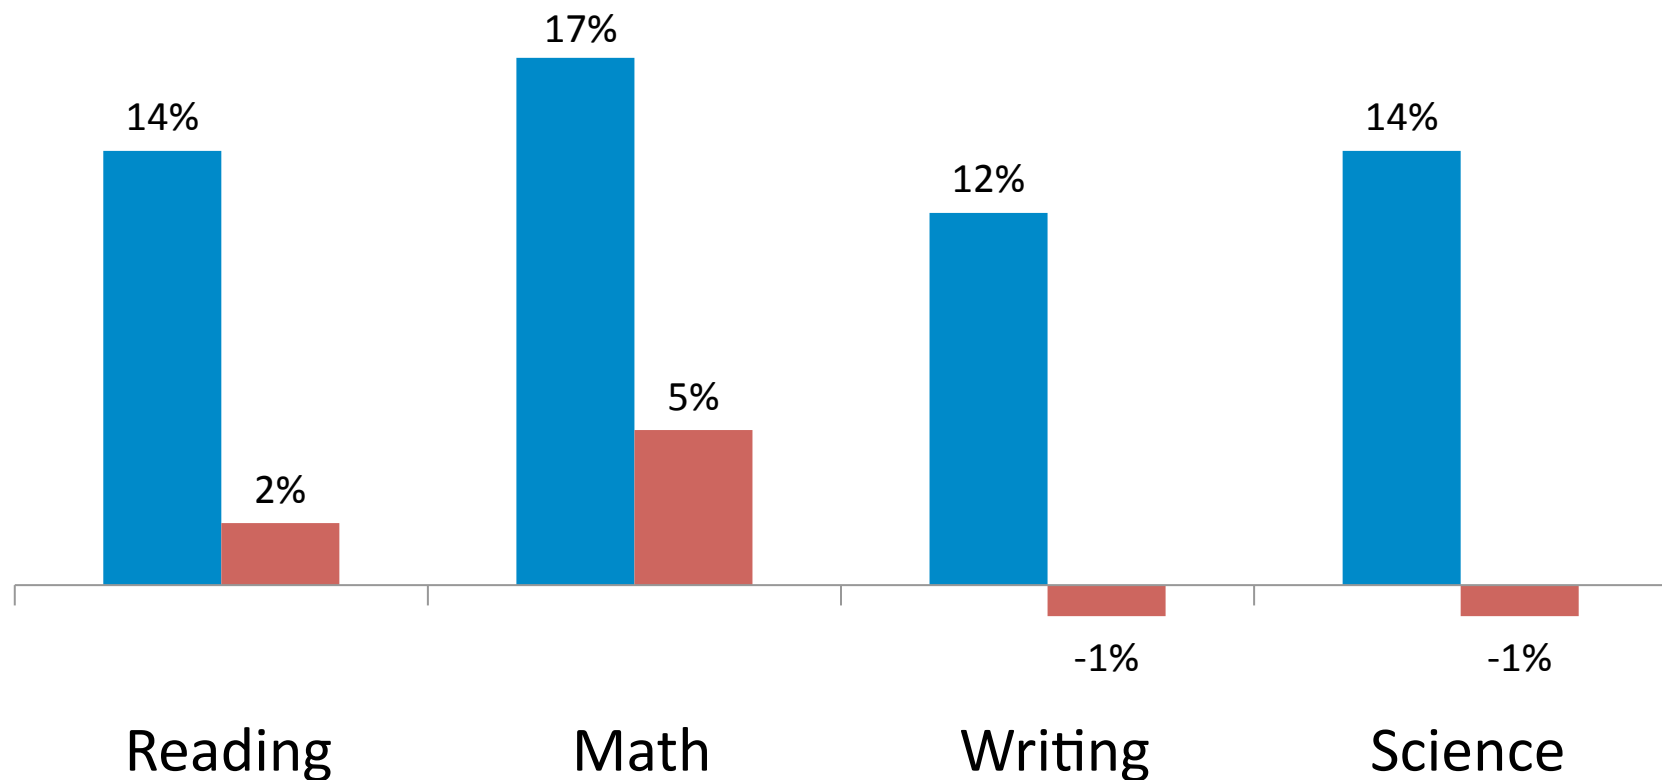

ACT Composite Average

DPS significantly outperformed the rest of the state in terms of the proficiency-rate change since start of Denver Plan in 2005

Change in TCAP % Proficient or Above Since 2005

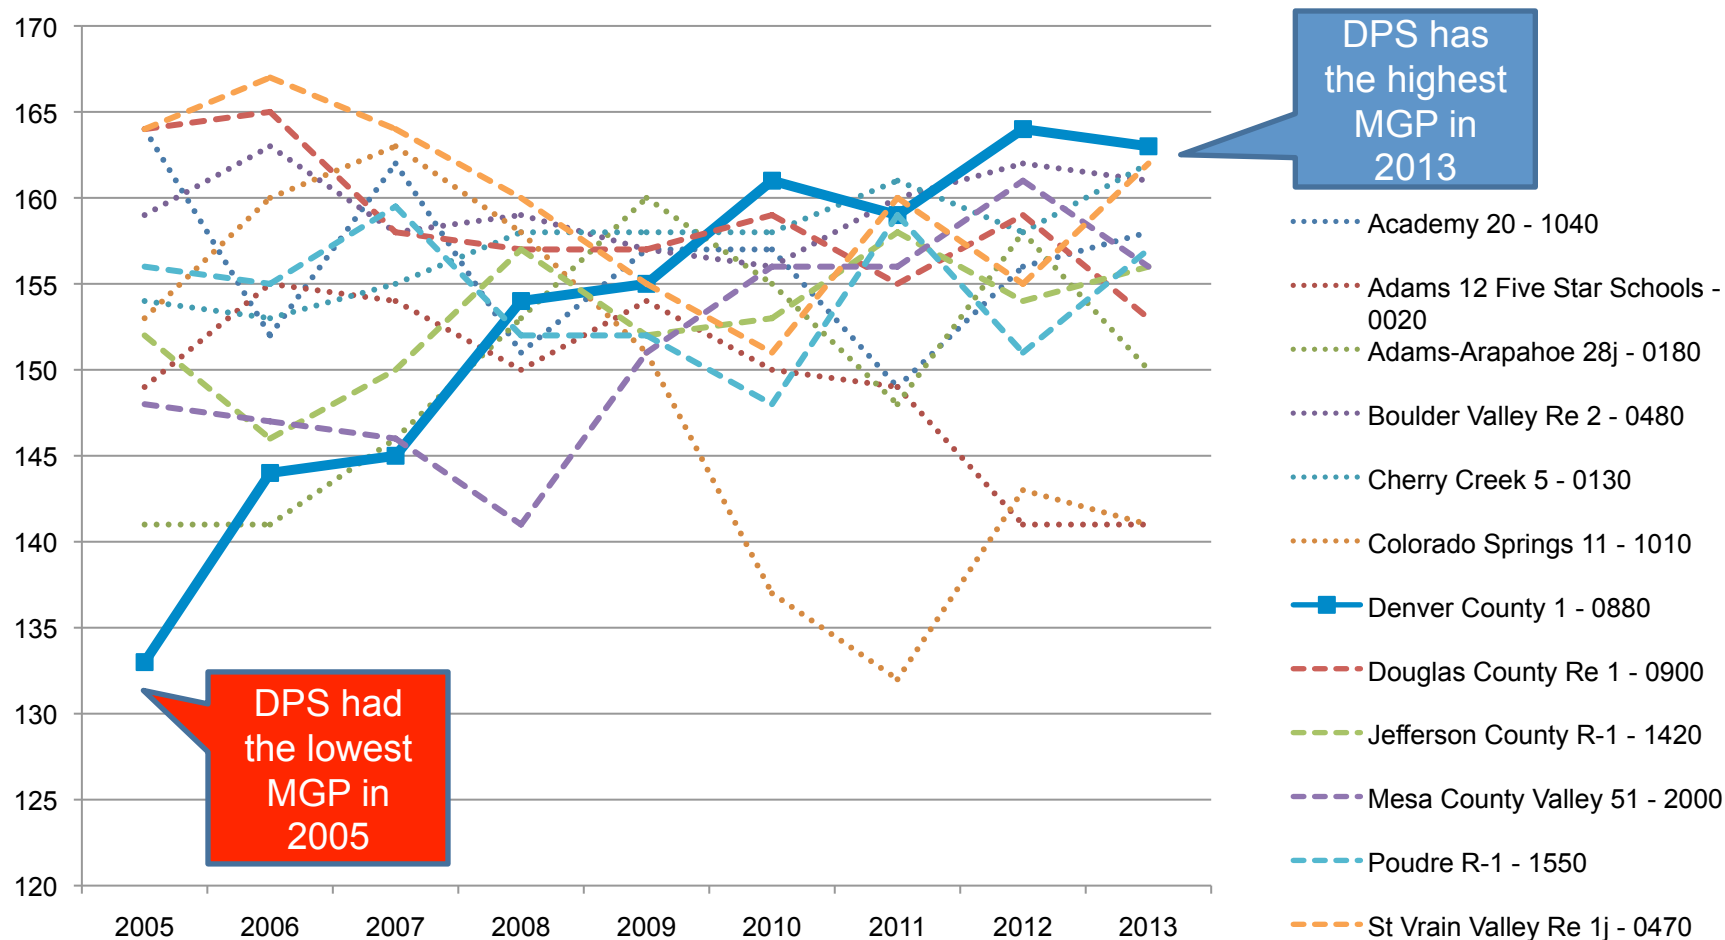

■ DPS 2005 to 2013 ■ State* 2005 to 2013

*State data does not include DPS scores.

DPS has gone from having the lowest rate of academic growth among the state's largest districts to having the highest rate of growth—two years in a row!

Combined TCAP MGP—Largest 12 Districts (>20,000)

DPS priorities for the instructional core: We ensure that 100% of our students are college and career ready by promoting high achievement and closing our achievement gaps.

**Help our
Educators Grow**

We will use frameworks, coaching, feedback and professional development to support educator growth.

**Shift our
Teaching
Practices with
Students**

We will implement new standards using rigorous and culturally relevant curriculum, instruction and assessments.

**Improve the
Outcomes of
Linguistically
Diverse Students**

We will strengthen our systems and practices for ELLs and other diverse learners.

**Differentiate
Support to
Schools**

We will provide equitable and differentiated supports and interventions by sharing best practices, piloting new ways to improve.
