

Navigating Denver's Next Journey: Community Partnership in School Improvement

See more at: apluscolorado.org/denvers-next-journey

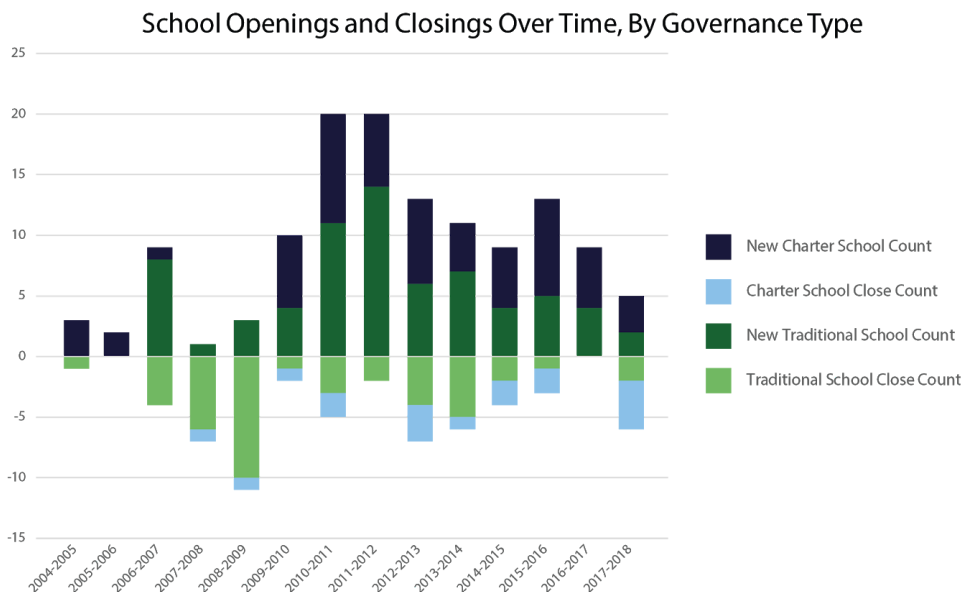

Essential Question: How can the district undertake turnaround and improvement efforts in partnership with communities?

Figure 1

Just the Facts:
The percent of DPS schools that fall in lowest performance bucket statewide, declined through 2017 but increased in 2018.

Figure 2

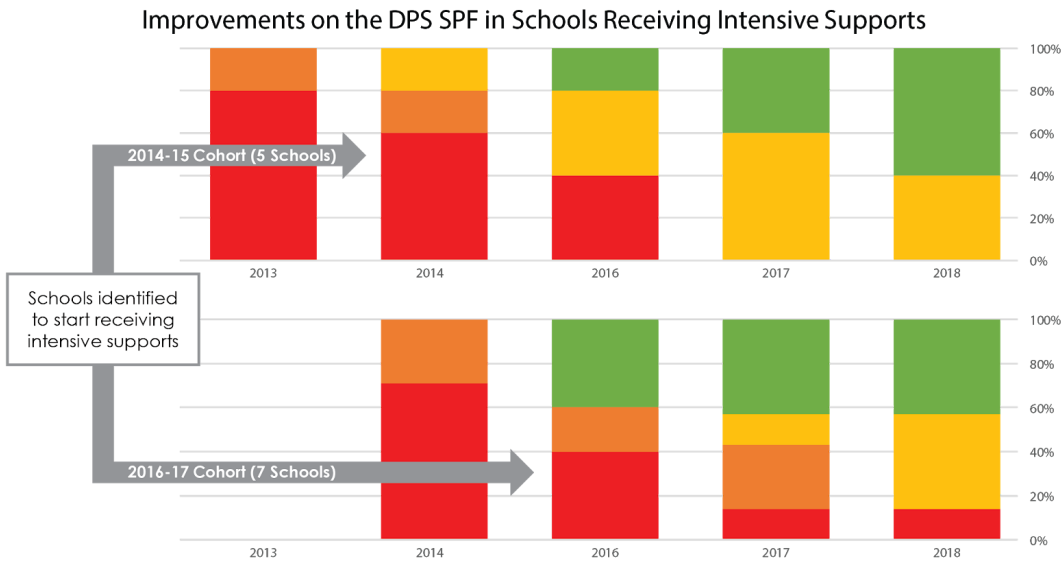

Just the Facts:
DPS has opened and closed many schools across governance types.

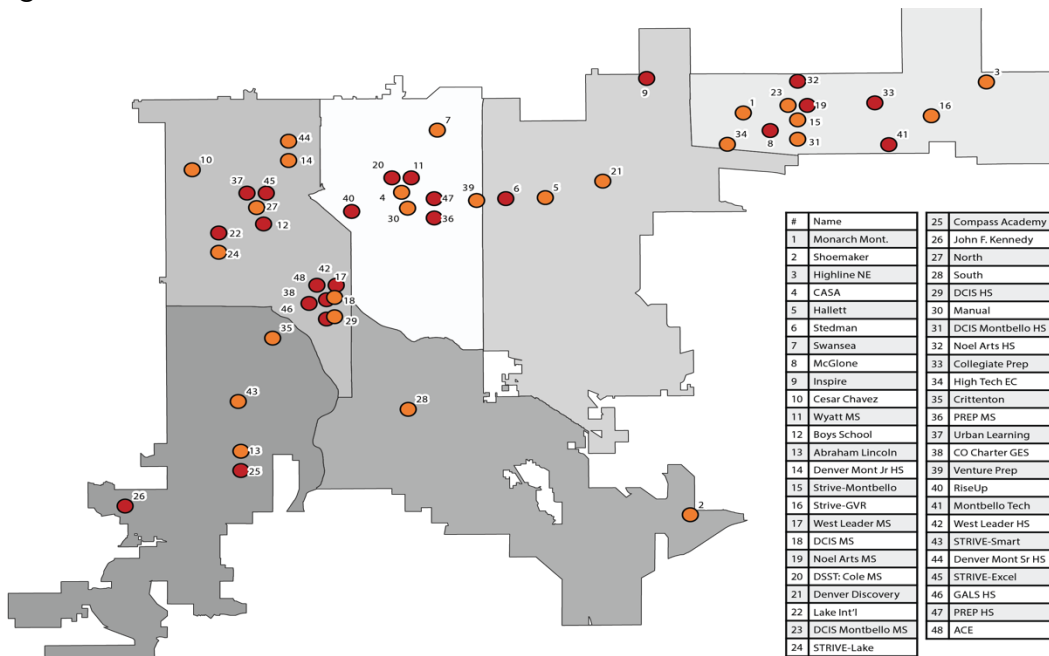

Figure 3

Just the Facts:
Schools receiving intensive supports have seen improvement.

Figure 4

Just the Facts:
17,442 students attend the nearly 50 Schools in Denver that received the district's two lowest performance ratings in 2018.
